PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, DC 20231

Dear Sir:

Prior to review on the merits, please enter the following
amendments:

IN THE CLAIMS:

Please amend the claims as follows:

- 55
56
C
1. (Amended) An image framing system comprising:
a camera having a lens for producing a camera image, and
a mirror, moveably arranged at an angle to the camera, that
produces a mirror image, the mirror having a reflection surface
that is substantially greater than the lens surface,
wherein:
